

## Global Assistance Services

### In the event of a medical emergency

As an GeoBlue Student customer, you are eligible for global emergency assistance, 24 hours a day, 365 days a year.

### For immediate assistance:

- Inside the US, call +1.800.257.4823
- Outside the US, call +1.610.254.8771 (collect)

If you require medical evacuation, you must contact GeoBlue Student Administrators in **advance** or your evacuation may **not** be eligible for reimbursement.

### Available services include:

- Medical evacuation planning and coordination
- Medical monitoring and referral
- Worldwide 24-hour assistance in locating medical care
- Coordination of hospital payment guarantees
